Enrollment Fee: A non-refundable fee of \$40 for your family's first child; \$25 for each additional child from the same family is due at the time this form is submitted which ensures and reserves your child a place in their age-appropriate class.

Immunization Records: We need a copy of your child's most recent immunization record. Plan on submitting this at the time of enrollment or at least prior to the first day of class.

Please Note: We are limited in our ability to service preschoolers with serious learning disabilities. It is important that we know in advance the special needs of your child. We will consider the acceptance of children with special needs on a case-by-case basis. Our staffing resources are very limited which limits our ability to meet the needs of some preschoolers.
